Challenge for Older Learners:

One of the main focuses of this sermon was baptism. Based on what we discussed, along with other passages you can find in the New Testament, answer the following and then discuss with your parents.

Have I been baptized? _____

If the above answer is yes, explain why you made this decision. If it is no, explain why you have not:

How much does someone need to know in order to be baptized for forgiveness of sins?

How is baptism a new creation?
